   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

Overview

This lab was split into two parts:

- Technical report writing
- Latex Tutorials

Technical report writing was taken by Ishrak Abedin sir, and Latex tutorials were taken by Asaduzzaman Herok sir.

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught different aspects of technical report writing and given a basic overview on it, about things like what is technical report writing, different aspects of a report, and given a set of criterias about how to judge a report.

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught about how to choose a title for a technical report

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught about how to properly section and format a technical report.

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

Lecture 1

We were taught basic commands in Latex.

- Structure of a LATEX source code – The documentclass command – The preamble section – The document environment – Structure of a LATEX command and environment - General style of positional (mandatory) and optional arguments

We were taught basic commands in Latex.

- Structure of a LATEX source code – The documentclass command – The preamble section – The document environment – Structure of a LATEX command and environment - General style of positional (mandatory) and optional arguments
- Inclusion of packages – Geometry package to change the paper type, margin, and layout of document

We were taught basic commands in Latex.

- Structure of a LATEX source code – The documentclass command – The preamble section – The document environment – Structure of a LATEX command and environment - General style of positional (mandatory) and optional arguments
- Inclusion of packages – Geometry package to change the paper type, margin, and layout of document
- Options for the article class to change font size and paper type

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught to write mathematical equations in latex

- The two mathematical modes/environments (how to and their differences): inline and display
-

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught to include graphics in latex.

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught to write tables in latex

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught bibliography in latex

Table of Contents

1. Table Content
2. Overview
3. Technical Report Writing
   - Lecture 1
   - Lecture 2
   - Lecture 3
4. Latex Tutorials
   - Lecture 1
   - Lecture 2
   - Lecture 3
   - Lecture 4
   - Lecture 5
   - Lecture 6

We were taught how to make beamer presentations in latex
